

# NEWS FROM THE VAULT

Hello!

Well, the 2024-2025 school year has come to a close, and as they say in TV & film, "That's a wrap!" And, literally, it's a wrap for me! As of August 1, I will be stepping down as Executive Director of The Vault. (In case you didn't see the social media post, I have enclosed the official announcement about all the exciting staff changes!)

I have been honored, humbled, and blessed to have served in this capacity over the past six years. I have been doubly blessed to have worked with such a creative and dedicated staff who strive to carry out The Vault's mission and vision with excellence, and who exemplify its core values both inside and outside The Vault's walls.

I am also grateful to our board, volunteers, mentors, donors, and commUNITY for the way you have given of your time, talents, and resources over these past years. As I always say, "We simply couldn't do this work without you!" We look forward to working alongside our community partners as we launch into this new and exciting season in serving our teens!

Lastly, I am forever grateful to our founder, Michelle Witzke, whose vision, passion, and unwavering love and compassion for the youth of our community are unmatched by anyone I've ever met. The Vault exists because of her strength, faith, and perseverance. What a testimony her life has been to our teens – one woman with a God-birthered dream – a dream that became a reality because she *refused* to give up even when faced with the most daunting of challenges.

Thank you, Michelle, for being an exemplary role model and an enduring advocate for this next generation.

*Tammy Wilson, Executive Director*
